CASH DANIELS - THE CONSERVATION KID

Discussion Questions

Cash hosts clean-up events where he picks up trash alongside local rivers. How could you reduce Trash and litter in your own community?

What does conservation mean, and why does it matter?

Cash was inspired by his lifelong love of animals. What are some of your favorite things, activities, or places? How could you make a positive difference in those areas?

Can you think of a time you worked with others to create change? Why is collaboration and teamwork so important?

Cash says that "Youth are 100% of the future." What are some of the ways young people can make a difference?
