FOOD INSECURITY

Discussion Questions

Lillian, Annie, and Chander are all addressing food insecurity in their own unique way. How are they each approaching the problem? Did one method stand out to you?

Chander talks about the passion and energy young people bring to their communities. Are there specific issues or problems you feel strongly about in your own community?

Annie talks about the importance of connecting with the people you're trying to help. What do you think that means on a day-to-day basis?

Have you witnessed food insecurity in your own community?
